STATEMENT UNDER 37 CFR 1.97(e)(2)

An Information Disclosure Statement was mailed January 10, 2002 for the above application. The statement under 37 CFR 1.97(e)(2) was inadvertently not included, and is submitted herewith. For ease of reference, a copy of the Information Disclosure Statement (without a copy of the reference, which was previously submitted) is attached hereto.

The Information Disclosure Statement was filed under 37 CFR 1.97 (c) as part of the response to the Office action mailed 12/7/2001.

No item of information contained in the information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application, and, to my knowledge, after making reasonable inquiry, no item of information contained in the information

disclosure statement was known to any individual designated in 37 CFR 1.56 (c) more than three months prior to the filing of the information disclosure statement.

Respectfully Submitted,

Dated: 1 / 14 / 2002
